

# PERFINS OF U.S. COMPANIES ABROAD — BY JAN PRINS

(Editor's note: the following is a group of Perfins of U.S. Companies Abroad which was inadvertently omitted from the sequence of such Perfins covered in the first five installments of Jan Prins' articles. This installment completes the series.)

- 23) Ingersoll Rand Co. Head Office: Woodcliff Lake, N. J.

This company dealing in mining equipment has two offices in Europe, viz., London and Brussels. In Great Britain they used two Perfins:

Type I

Type II

London, Elizabeth II

In Belgium two Perfins I.R. are known, but not yet identified. This company also has offices at Bombay (India) and Johannesburg (South Africa) but so far no Perfins of IR are known from these countries.

- 24) Remington Rand. International Division of Sperry Rand Corporation, New York.

R.R. used in Great Britain the following Perfin:

George VI  
Elizabeth II

- 25) Parke, Davis & Co. Headquarters Detroit, Michigan.

This pharmaceutical company has many plants/branches all around the world. Only in a few countries were Perfins used:

Great Britain

Hounslow  
(Midxx)

Argentina

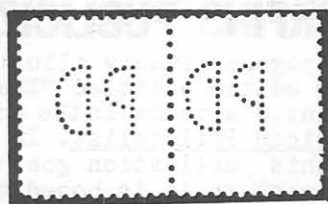

Buenos Aires since 4/24/1935

Buenos Aires since 1946

Cuba

In Spain a P.D. Perfin is known, but not yet identified.

- 26) American Express Company.

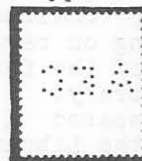

The London (Great Britain) office has used three types of Perfins AEC:

Type 1

George V

Type 2

Elizabeth II

Type 3
